

July 25, 2016

Dear Member,

Your We Protect identity theft protection benefits begin August 1, 2016. As part of this benefits package you are entitled to free credit monitoring that will provide you with daily alerts to changes to your credit file which may signal identity theft. We Florida Financial has elected to provide these comprehensive services for you proactively to help alert you to potential identity compromise or fraud.

If you choose to activate this complimentary benefit we will monitor your credit for new activity which may signal identity theft, with alerts sent by email and SMS or text message sent as often as daily. This entitlement extends to primary account holders.

In addition, if we have your email address on file, you will receive an email next month from our partner company with instructions for credit monitoring activation. If you have not provided us with your email address, please add it in Online Banking, or at your next branch visit or phone call to the credit union. Follow these easy steps to activate:

Visit the activation URL: <https://wefloridafinancialactivate.merchantsinfo.com/member-enrollment.aspx>

Enter your Enrollment ID. Your Enrollment ID is the last two digits of your year of birth, the last four digits of your Social Security number, and the last three digits of your account number. For example:

74

Last two digits of  
your year of birth

8532

Last four digits  
of your Social  
Security number

329

Last three digits of  
your account number

Complete your profile and answer the identity authentication questions to activate the credit monitoring entitlement. **If you choose not to activate the credit monitoring benefit, your credit will not be monitored and you will not receive alerts.**

If you have any questions, please call us at 954-745-2400 or 800-230-0200. Select option 3 from the main menu.

Sincerely,

Member Services
