

SNAPSHOT

Snapshot allows you to view your balances even faster through our mobile app; saving you time when you're in a hurry. Set it up in less than five minutes by following the steps below.

- Step 1:** Login to your account on your mobile phone. [See 1]
- Step 2:** Click on Settings located on the menu bar. [See 2]
- Step 3:** Click on Snapshot. [See 3]
- Step 4:** Select the accounts you want to view by clicking on the radio buttons next to the desired account(s). [See 4]
- Step 5:** Click Save and you will receive a confirmation message stating the service was updated. [See 5]

Now when you click on the We Florida Financial mobile app, you will see the accounts you've chosen in the Snapshot menu from the login page. [See 6]
 You can turn off or modify this feature anytime by going to the Settings section of the mobile app.
